

Las Vegas Chamber of Commerce

MEMBERSHIP DIRECTORY AND BUYERS GUIDE

Virtually all companies that become chamber members do so to either increase business with existing clients or to gain new business. To increase the Member-to-Member (M2M) business between over 7,000 members of the Las Vegas Chamber of Commerce (LVCC), Las Vegas Publications is making every effort to ensure that chamber member businesses have an adequate amount of Membership Directories for every decision maker of their company.
